National Reading Day 2021

January 23

Today, January 23rd is National Reading Day!

This is an annual event aimed to encourage younger readers to love reading!

Aimed at

Pre- K through to 3rd Grade, this national awareness day is celebrated in thousands of US schools.

The event provides a basis for younger children to become inspired by reading and can assist them in achieving a good, solid foundation for lifelong learning.

With lots of advice, support and materials available why not get your young people and their school involved if they aren't already.
